

Attachments for Lull Telehandlers

Attachments for Lull Telehandler - Lull telehandlers have been providing precision load placement since nineteen fifty nine. Whether the task entails transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler would really help make the task go faster and easier. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could provide 80 inches of boom travel for precision placement functionality. There are also a lot of optional Lull accessories for their telehandlers to help complete whichever task.
