

American Lincoln Part

American Lincoln Part - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the industry they are known within the business as providing durable and strong machinery which satisfies all the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nationwide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company who is currently also owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could provide warranty service, machines and components for these kinds of scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results matter. Lately, this particular floor scrubber model has been used by the architects in various construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
