

Nissan Forklift Part

Nissan Forklift Parts - Nissan prides itself on achieving total consumer satisfaction when their client is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with resilient production principals, Nissan lift trucks offer many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the company has four independent manufacturing facilities that permit them to persistently adapt to their customers continually evolving desires by offering an assortment of progressive ideas and concepts.

The Nissan Lift truck North and South American foundation is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to preserve environmental accountability by utilizing methods that reduce the worldwide influence of their goods and processes. These high standards remind customers that Nissan operates under the quality seal that their customers command while being an environmentally conscious corporation.

Nissan is quite confident that any of their clients inquiries and customer considerations directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
