

## Electrical Part for Forklifts

Forklift Electrical Part - Lift trucks together with various lift trucks can have particular labels used in some hazardous locations. The label denotes that this particular model of lift truck meets the minimum standards of ANSI/UL 553 intended for electric forklifts or ANSI/UL 558 meant for internal combustion engine lift trucks.

The application for labels for lift forklifts may be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Type Designations, Areas of Use, and Maintenance and Operation. Check with your local insurance provider and Fire Marshall for further info on the approved uses of industrial powered forklifts in your application.

If the forklift has been proven to satisfy the outlined standards, the following labels can be attached. A labeled truck will have the type designation located on the lift truck nameplate and will have one of the following labels attached.
