

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are dedicated to providing new design concepts and top quality so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like providing items which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs combined with their knowledge of cleaning applications, along with owners' strong desire to significantly reduce cost through productivity gains.

When required, the employees within TREK and its various dealer members in both technical support and parts would be obtainable. Amongst their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery ready and working day by day is top priority. The company's top of the line technology delivers dependable equipment which eventually lowers your cleaning expense. The price, the service and the product all work as one in order to make them the leader in the business.
